

## **The Judgment of Babylon** by Roger King

Is the Judgment of Babylon Revelation 14:6-13 the fall of America? Yes!

### **THE LAST SEVEN YEARS;**

You will find this in no other book or prophecy ministry. If you are not knowledgeable about the number seven in the bible go to [www.thejudgmentofbabylon.com](http://www.thejudgmentofbabylon.com) and read about God's perfect and completion number by Michael Hoggard. 7703.5 days for a total, and double sevens to start the new millennium

Consider This: These dates are based on our calendar year. Seven years x 365 days = 2555 days divided by 2 = 1277½ days Each half ends in double sevens.

HMMM..., for the ending of events, such as the "Power of America Crushed" and the "Rapture of the Church." And double sevens start the new millennium.

Considering the start of the last seven years, it's getting close!

1263 ½ days 2 prophets raised

1277 ½ days Rapture of church

7703 ½ days counted. A total of 7 major events and a new start, beginning with double sevens.

Statement: The dates God had placed in the bible fit our calendar year perfectly and are witnessed by the incredible sevens.

The above scriptures and days are direct from the Bible. The only thing added is the calendar. If you read the book you can follow this through the bible. This is God's timing telling you to be ready.

As a continuing effort to insure yourself that the above is true you will find how all of this fits with bible prophecies in the TJOB book. There are a lot of people that say you cannot know when Jesus will return just from the statement Jesus made, "saying you cannot know the hour or the day". I totally agree with that statement. However, he did not say you could not know the week or month before. When a pastor tells you that you cannot know he is side stepping the issue. Jesus also said in Matthew 16:3 "O" ye hypocrites you can discern the face of the sky but ye cannot discern the signs of the times. I personally wanted to know and if you care for your family I would think you would want to know to.

Thank you,

Roger King
